

## Middle East Exports Overview

### Weekly schedule

If you need a regular and reliable route for your goods into the Middle East, then Charles Kendall have the ideal solution.

We offer a fast, continuous and flexible service to the Middle East; including seafreight, airfreight, road (door to door) (including out-of-gauge) and consolidation movements.

We can arrange on-carriages as required, having our own registered offices in Bahrain, Oman and the UAE: Jebel Ali Free Zone, and Dubai.

### Tailored Solutions

We take care of all aspects of Middle East transportation so you don't have to. Our customized service can include;

**Letters of Credit:** We deal with the local Chamber of Commerce, Arab Embassies, Foreign and Commonwealth Office not only in the UK, but also in other European/ Overseas countries.

**Bills of Lading:** Own "Liner" Bill of Lading (SeaBox)

**Customs Clearance:** Dedicated clearing office located in

Felixstowe which offers assistance with all clearance procedures to include IPR temporary import clearances needed to assist rework of certain commodities.

**Inspection:** We can assist with arrangements of official Cotecna/SGS/Lloyds cargo inspections as is usually required under Middle Eastern letters of credit.

**Export Licences:** Assistance with application for Export Licences "in-country".

We offer additional services which you won't find at just any freight forwarder;

**Cargo Superintendancy:** Dedicated Cargo Supervision at origin or at the overseas port or door.

**Tracking:** We operate a tracking system for specific contracts. This facility can be made available and tailored around your needs.

**General Trading Company:** Within our group, we have our own Trading Company located in Jebel Ali Free Zone, covering many licensed commodities.

**Packing & Warehousing:** Own packing company and UK based premises. All timber is ISPM 15 compliant.

**Insurance:** We can provide Marine, Land and Air Insurance cover.
